

Manager's Duties – DRIBL

DRIBL: Player and Team Management System

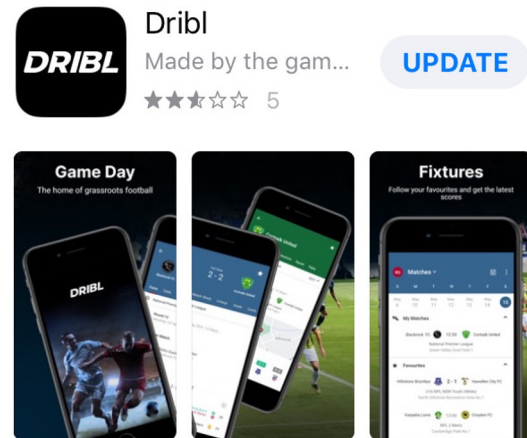

- Dribl is the system NSFA use for Player, Fixture and Team Management.
- It was first deployed in 2022, so while there are still some nuances, its pretty good once you get used to it.

Dribl is an App.

- Download the Dribl App available for all smart devices.
- Can also be accessed online - website shortcut is Manager Login. But built as an interactive App for on the go.

Self Activation is required.

- You must be **registered as a Manager in Play Football**.
- Then, your Age Coordinator needs to map (attach) you to your team as a Manager.
- You then need to *Self Activate* your login.

Download the Dribl app on the Apple App Store or the Google Play Store

- Apple App Store: <https://apps.apple.com/au/app/dribl/id1555038633>
- Google Play Store: <https://play.google.com/store/apps/details?id=com.dribl.app>

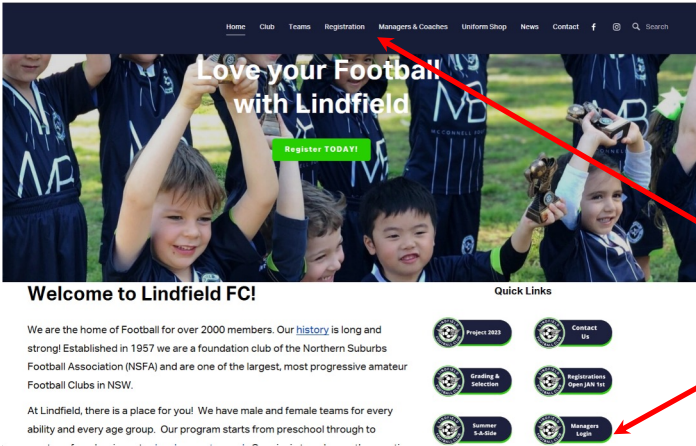

DRIBL – Create your Account

- **Open the Dribl App**
- You will be taken to this Sign Up screen

ONE VERY IMPORTANT TIP: active users (parents, players, coaches, managers) **MUST SIGN UP** using the **SAME Email** address they used to register in Play Football.

Most setup/login issues are caused by multiple email addresses for same person

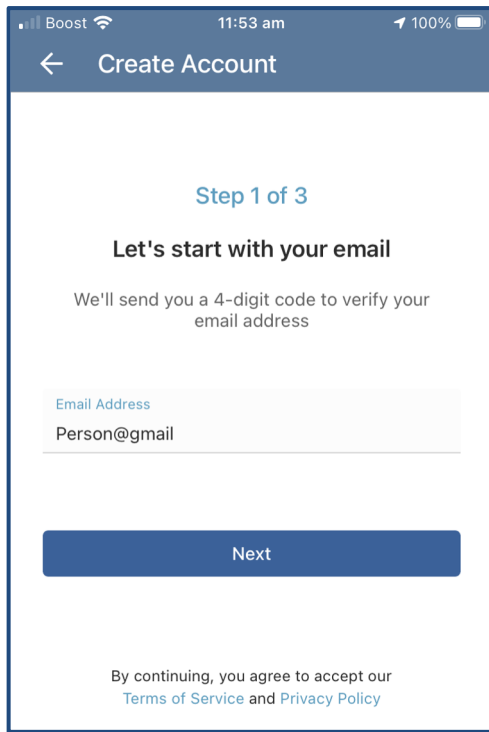

To get started it is preferable to use the App - the following instructions are all for the App, *however* you can also access via the Dribl website/desktop.

LOGIN from the **Home page** of the LFC website, click the Managers Login tab or use the DRIBL Login from the **LINKS tab**

DRIBL: Account Activation

4 Simple Steps:

1. Enter your Play Football account email address
2. Create a Password - min 6 characters
3. Enter 4 digit Verification Code sent to email
4. Upon sign in, select **'Allow' notifications to receive updates** for fixture changes (eg wet weather)
